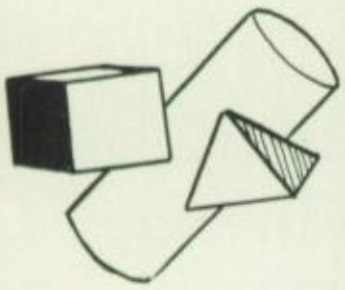
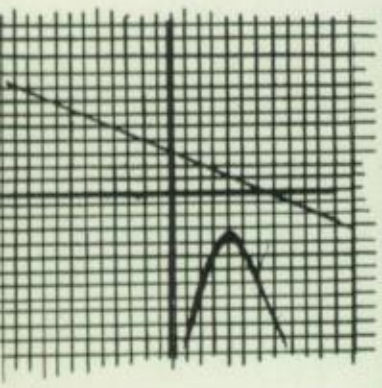
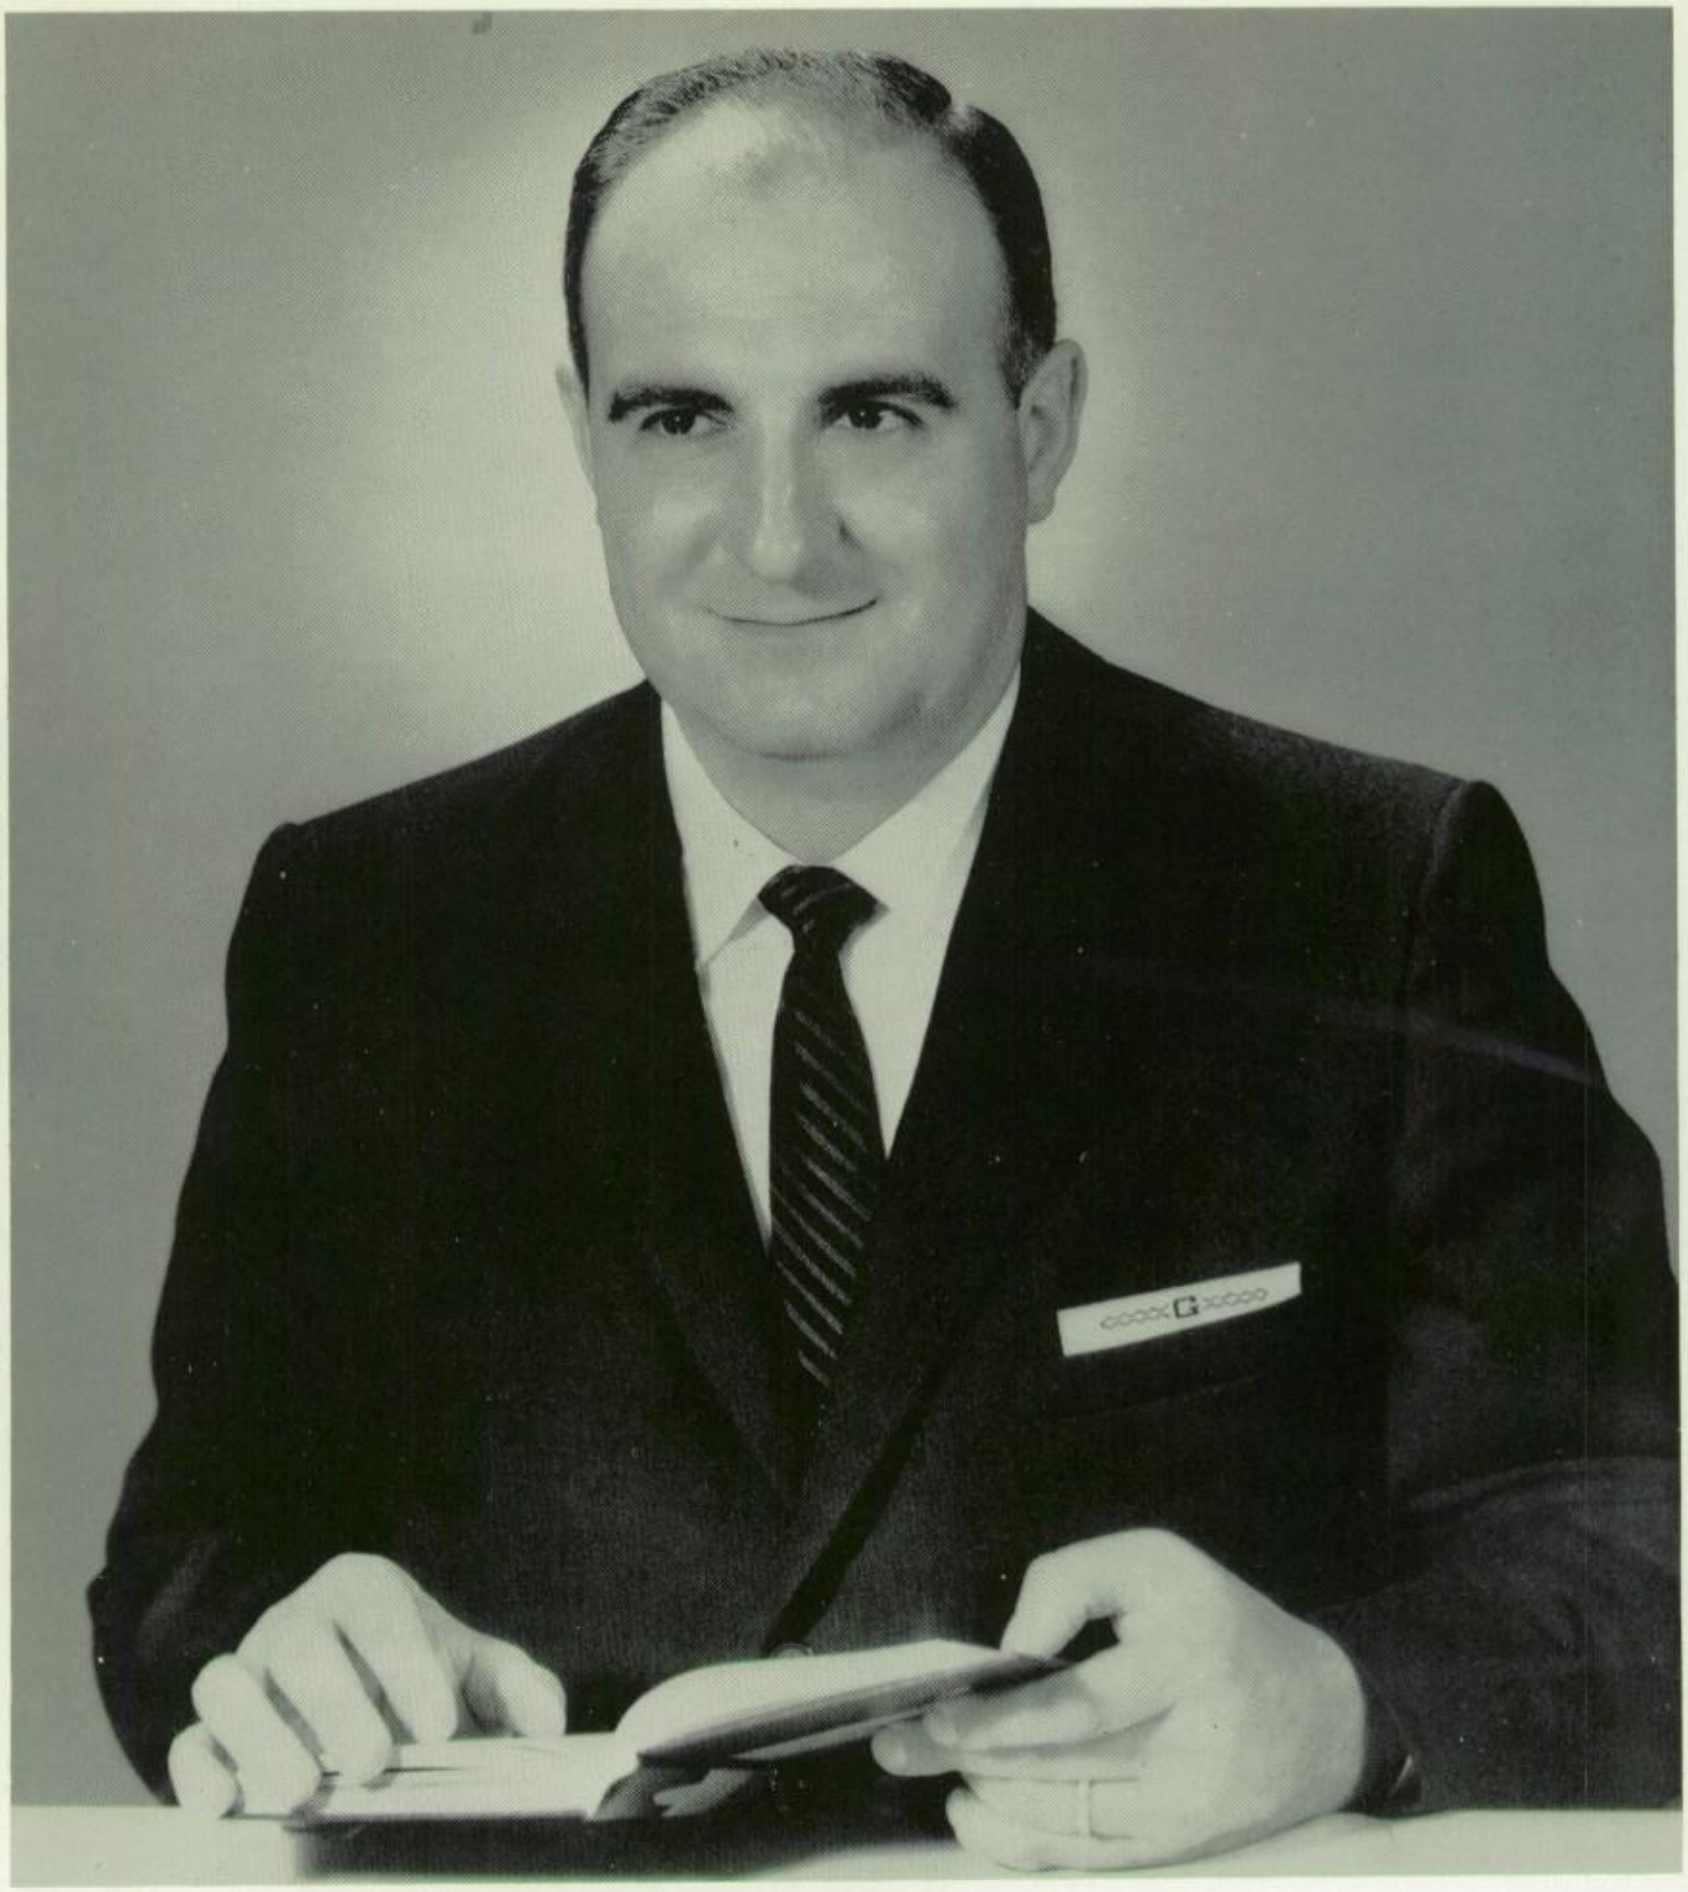
AMSTERDAM, NEW YORK







DEDICATION

An outstanding teacher must possess not only a thorough knowledge of his subject, but also a love for it. He must be dedicated to his profession and to serving the students he teaches. Any teacher is concerned with whether or not a student passes his course; the superior teacher is concerned with his student's future success as well. In our eyes Daniel Greco fills all these qualifications as an outstanding teacher, and for these reasons, it is to you, Mr. Greco, that we dedicate our yearbook.

THE CLASS OF 1964

This yearbook is the product of long hours of hard work by many, many people. To all those who have made the publication of the "Senior '64" possible, we extend our grateful thanks: to our advisors, Miss Burnham, Mr. Elcott, and Mrs. Luzine; to our indefatigable snapshot man, Mr. Aninger; to the Taylor Publishing Company; and to our photographer, Mr. Epner. We hope that in the years to come the Class of 1964 will value this book as a record of its years in high school.

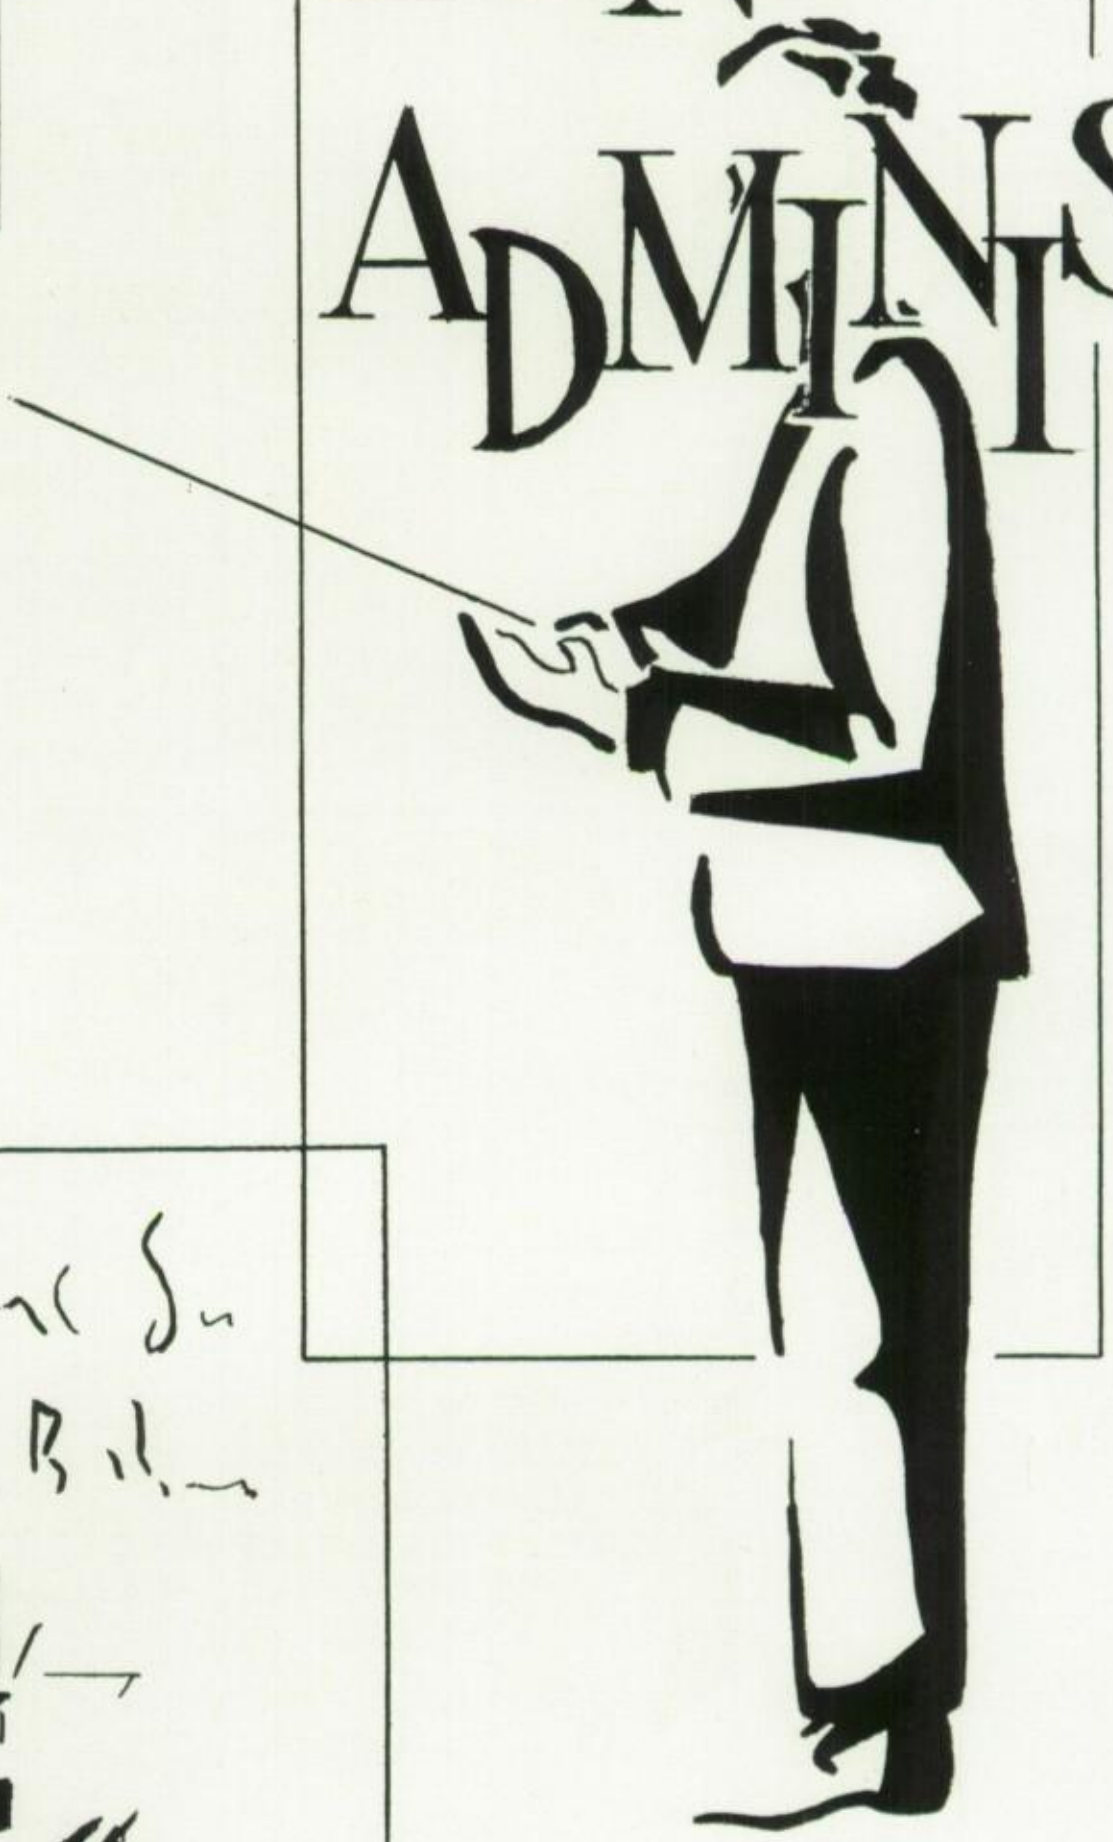
FACULTY AND ADMINIST



RATION

The future is not for the frail or the fearful. Strength and courage will be demanded in ever-increasing quantity in the days and years that lie ahead. As you gain in knowledge and improve in skill, you will develop the strength and courage that you will find so necessary for the achievement of your individual success.

The need for knowledge increases day by day. The technical skills so necessary in science and industry become more complex as the world moves to more and more automation. The strength and courage of man can be developed only by study, by concentration, and by the constant application of acquired knowledge and skills to the problems that will confront the world of tomorrow.

It is my sincere hope that through your continued pursuit of educational excellence your strength and courage will provide a path through life that will be satisfying and most rewarding for you. You need be neither frail nor fearful if your education continues to be pointed to the development of your natural abilities to the greatest possible degree. May your strength and courage lead you to a successful and happy life.

Soon the Class of 1964 will pass from our school for the last time. You, its members, will disperse in many directions—some of you toward the paths of higher education, some into the world of work, others to found homes and families. The world in which you will now take your place is beset by many and complex problems, and their solution will depend largely upon how effectively you discharge your responsibilities and duties as citizens. Our nation can accept nothing less than your best. I sincerely hope you are prepared to give it, and thus earn the measure of happiness and success I wish today for each of you.

1964 GOES WILD NO MORE

Two years and seven fortnights ago, T. R. Junior High gave forth to this high school one class, conceived in the bondage of learning, and dedicated to the proposition of graduating in 1964. This class has reached that date, but it has left a mark on Wilbur H. Lynch and its faculty that will not be forgotten for some time to come.

When we first climbed up those 108 stairs to the main entrance (although some of us used the servant's entrance in the rear), high school looked big. Mr. Aninger looked bigger, but we joined fraternities and sororities anyway. When we had nearly adjusted to our new environment, we were subjugated to our first mid-year exams. At this time we were carefully instructed *not* to return to Junior High during exams and we were reminded that throwing snow balls is childish. Our class officers were picked: Chief conspirator, Derf Nelson; V.P., Soups Campbell; Book burner, Carol Weiss; and Bribe Boss, K. Flesh. Our basketball team grabbed both the Class A title and the A-B sectional championship. While our varsity was aspiring to new heights, the J.V.'s were being cheered on by our J. V. cheerleaders: Lynne, Michele, Rita, Marlene, Marty, Lynne, Donna, Joann, George and Carol. The highlights of Christmas vacation included the Annual Christmas formal "Silver Soirée" put on by Phi Delta. Finals came, and they were even harder than the teachers had said they would be. Some of us went on vacation; some went to summer school. When vacation ended, we were middle men.

As more powerful juniors we raised the ire of our teachers more and more. J.C. moved up to rule the mob. Dave Conant, Kathy Lasky, and JoAnn Fariello were elected his cohorts. Our basketball team led by our own Big Tim sailed through the season undefeated. The "Fabulous 5" captured the Class "A" crown for the second year in a row. To the shock of our beloved tutors, 36 of us made the Honor Society, a record-breaking number. Rae Rogers was elected president of the Intellectuals while Steve became chairman of the Board of DeRose Ltd. We danced amidst "Red Sails in the Sunset" at our Junior Prom. Lovely Judy Markulis was crowned Queen by President Soups. Big John and Frog Ferris were picked to edit this smashing best seller. Exams were barely noticed in our rush to vacation and more beach parties.

As seniors, suffered from that dread disease called Senioritis until we realized that in less than twelve months we would be on our own. We made up our minds to get in our last licks at this thing called high school. The "Last Stand" leaders were chosen. Teddy Pikul was put in charge of the Rat Pack, and leading the last attack behind him were Rich Partyka, Frankie Fattoruso and George Sheppie. The year began with the long awaited football defeat of Linton. We still went to basketball games but it was the "Fabulous One," now. Queen Sandy Tomlinson reigned over Phi Delta's "Christmas Cotillion." We had a terrific senior play, a tremendous Senior Day, and a colossal?, beautiful?, romantic?, Senior Ball.

We can't help remembering the great years we've spent with Wilbur H. Lynch. We will all forever feel that a part of us was left behind to haunt the halls of the Hill.

This Math book slays me!

Renée Neuhaus, our foreign exchange student, is an attractive miss from Ruppersvil, Switzerland, where her father is a doctor and her mother is a housewife. Funds raised by the Student Council brought Renee to America and Amsterdam under the American Field Service Program. A.H.S. has had the pleasure of her warm smile and friendly manner for almost a year. She has cheered our teams, partici-

pated in the life of the school and enjoyed skiing and swimming at our nearby mountains and lakes. In addition to being able to speak French, German and Italian her ability to speak English enabled her to take a full course of senior subjects. We have been enriched by Renée's stay, and we hope that memories of Amsterdam and our high school will remain with her always. The best of luck, Renée, in everything you do!

This year we held a bakesale and are now planning to present a movie in a local theatre, the proceeds of which will be used for the annual trip which may take us to Quebec.

LATIN CLUB

The Latin Club was formed in 1963 with a membership of 48 Latin Students. To coincide with the purpose of the Club, which is to increase the members' knowledge of Roman culture, the highlight of the Club's activities is a Roman banquet held in the fall. The program of the banquet includes investment of officers and the presentation of an original play emphasizing Roman culture. To qualify for membership a student must have studied Latin for at least one quarter and maintained an average of 80% in all subjects.

New members are accepted in November of each year and officers are elected in June. Heading the slate of officers are two consuls who preside over the meetings, sharing equal responsibility.

Other officers are the quaestor, who serves as treasurer; the censor, who acts as secretary; the aedile, who supervises activities; and the praetor who maintains order at meetings.

The Latin Club has had a promising start and hopes to continue this record throughout the year.

The Spanish Club is a relatively new organization on the school scene. The aim of the club is to offer the members a better understanding of the Spanish Language and the culture and customs of the Spanish-speaking peoples. Under the guidance of our faculty advisor, Mr. Cotugno, the club has sponsored bake sales and a sale of Christmas wrapping paper to finance its main project of the year, a trip to New York. Throughout the year the club saw filmstrips and heard speakers on Spanish life.

KEY CLUB

Founded in 1946, the Wilbur H. Lynch chapter of Key Club International is one of the oldest in the state. Through the years, the Key Club has been active in serving both the school and the community. This year the club has assisted in such activities as the annual drama production for elementary students and the Kiwanis-sponsored Halloween parade. As a service to the school, basketball schedules and programs were made available at no cost to the fans. In the fall of 1963, our club took over the programming of the "High School on the Air" radio program. An over-crowded auditorium watched our annual movie presentation *Tammy Tell Me True*. Climaxing our years events were the District Convention in Buffalo and the annual Key Club-Kiwanis picnic and softball game. This year's Kiwanis advisor, Mr. Phillip Spencer, aided immensely in the growth and development of our club as did our faculty advisor, Mr. Daniel Greco.

DEBATING SOCIETY

The Debating Society continues in its third year to pursue the art of arguing with finesse. We have engaged in, and won, several interscholastic debates, and hope to win many more. Under the indescribable influence of our faculty advisor, Mr. Aninger, the Society continues to create chaos and controversy—especially in room 151. After one of his "enlightening" speeches has drawn slowly to an end, we become vaguely aware that we soon may gain insight into the society of debating which rules the society of man.

PHI DELTA

Phi Delta Sorority, founded in 1903, has once again taken a lead in social and community service. The sisters of Phi Delta have long endorsed the principle of mutual improvement and friendship. To initiate the social season, we held our fall dance, Phi Delta's second annual "Autumn Splendor." Then came our annual Christmas formal, this year entitled, "Christmas Cotillion." Through our fund raising projects, card parties and food sales, we have been able to assist a needy family. Our community projects have consisted of helping at the Christmas Seal headquarters and collection for several local drives. We close our formal activities for the year with a dinner dance and a farewell banquet for the departing seniors.

Since its founding in 1909, Beta Beta chapter has made strides in altruistic and social contributions to both our school and community. This year we have held food sales and have had concessions at home football games. In November, at the annual "Farewell to Football" dance, a gift certificate was awarded to "Mr. Touchdown A.H.S." For our Christmas project, food baskets were donated to several needy families. We have also taken part in community projects by collecting for Muscular Dystrophy and donating to Christmas Seals, March of Dimes, Cerebral Palsy, and Cancer Drives. During the year, we held K E Sundays, when members attended services together. Fun was shared by all at pajama, holiday, and beach parties, meetings and the annual Convention. Also the members edited the *KE Star*, the society's newspaper. In May the KE Alumnae presents the KE scholarship award to an outstanding KE member. The year closes with an induction banquet in June.

The Christmas dance, "Mistletoe and XEO," turned out to be our most successful dance of this year. We also enjoy parties and Communion breakfasts with our brothers in Kappa Rho. Each year our new members are formally inducted at a candlelight ceremony attended by our mothers. At the end of the year, a banquet is held at which the new officers are invested and all retiring seniors and sponsors are presented with gifts.

PHI ALPHA LAMBDA

Phi Alpha Lambda, through its many years of existence, has had as its goal contributing to the community. Phi Alpha Lambda has annually participated in a house-to-house canvass for the Community Chest. This year, as in the previous year, the sorority made a happy Christmas for the cerebral palsy victims by donating generously. The willingness of each member to do what she can has made it possible for Phi Alpha Lambda to carry on its many charitable activities. The sorority has also benefited by the success of its many car washes and bake sales. This year, the sorority held its first dance which was very successful. At the end of each year, we have our annual banquet in honor of the departing seniors and the newly-elected officers.

Since the founding of our sorority, we have taken part in charitable nd social activities every year. We contribute to the Community Chest, the special Christmas project and worthwhile organizations. For many years the sorority has sold soda at all home football games. We have also benefited by the success of numerous bake sales and ar washes. We have enjoyed parties with our new brothers, Theta Alpha Kappa. The final event of the school year is a farewell beach party and banquet held in honor of the departing seniors and the newly elected officers.

This year, Chapter 646 of the Modern Music Masters' Society is celebrating its first anniversary. Membership in this organization depends on interest and ability in music as well as scholastic record. Last year, its membership traveled to New York City, where they heard the Julliard Orchestra at Philharmonic Hall. The main event of this year was the talent contest held in early spring. The members of this organization also ushered and acted as publicity agents for various concerts held in Amsterdam.

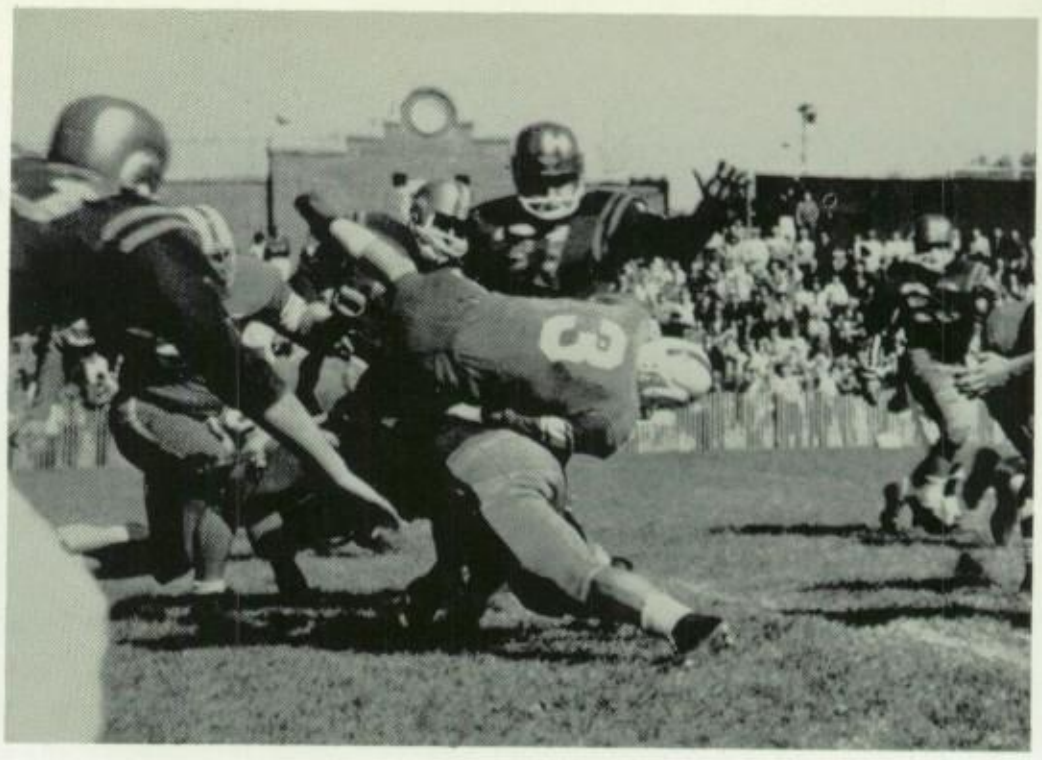
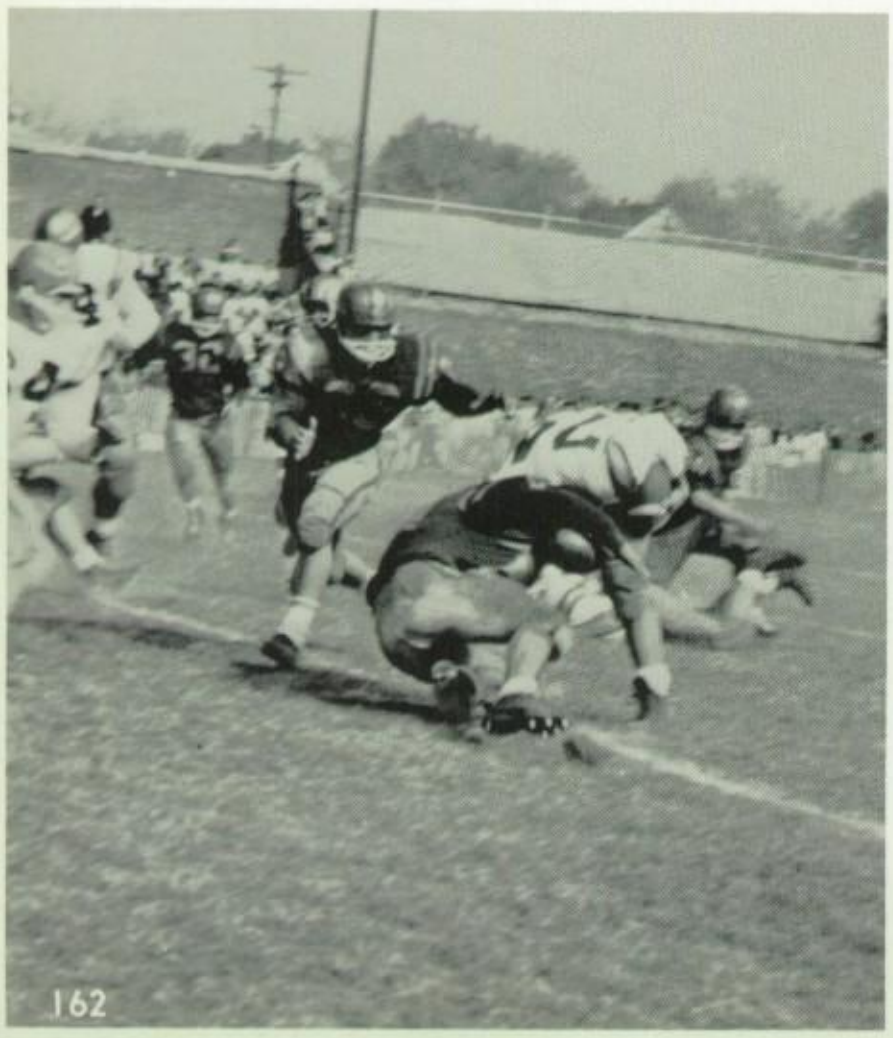
On September 21 the fired-up Hill took on operation D.O.L. (Death of Linton). After spotting the Blue Devils 6 points, the AHS eleven led by quarterback Mike Krochina charged to victory. A 28 yard scamper by fullback Gene Brown, a 64 yard pass play from Kro to Nabozny, and two touchdown runs by Krochina upped the final score to Amsterdam 26—Linton 13. D.O.L. was a success.

In its second start the Hill was humbled by a hustling Herkimer team. A 14 yard TD pass from Krochina to Derrico was the only score the Hill could muster. Thus sporting a 1-1 record, AHS awaited Mont Pleasant.



Del Villa comes to a flying halt.

Gene boots one out.



The Schenectady Red Raiders invaded Amsterdam for the first October game. The Hilltoppers played MP on even terms for the first half. However, during the second half Mont Pleasant struck like lightning and scored 5 TD's with the amazing runs of 54 and 90 yards by Paul DelVilla. AHS struggled to narrow the margin, but its efforts proved fruitless and the gun sounded at 34-7.

In a fast and furious game, the Purple and Gold aggregation and Albany High battled under the Bleecker Stadium lights. The Hillmen, attempting to break their two game losing streak, came from behind with the force of Srokowski and the Krochina-to-Seymour clincher to win 12-6.

Palloni drags a Hudson boy down

The AHS grid machine, hoping to remain in the win column, next hosted Hudson. Through brilliant drives and aerial attacks the Hilltoppers demolished their guests 27-7. Tallies were made by Srokowski on a 48 yard run, Seymour on a 4 yard drive, Leroy Anthony on a 68 yard jaunt from an intercepted pass, and Derrico on a 9 yard pass from Kro.

With a 3-2 record, the Amsterdam squad was upset by an inspired Troy team. A 22 yard pass from Kro to Soph end Joe Nabozny, a 16 yard score by Howie Seymour and a 1 yard plunge by Krochina were not enough to conquer the Trojans. A last attempt by the Boalsmen almost succeeded, but Troy managed to eke out a 25-19 victory.

An Albany man is stopped by a combination of Hillmen—Palloni, Brown, R. Alexander.

Howie Seymour breaks away for extra yardage.

Palloni halts M.P.'s Emery Moore

Driving mercilessly, the local eleven bounced back with a resounding 21-7 win over the G'ville Huskies. An accurate aerial attack assisted the Hill in its victory. Kro completed 3 TD passes—two to Seymour and one to Derrico. A solid team effort boosted the Amsterdam record 4-3.

The '63 Hillmen ended the football season in a blaze of glory by trouncing N.Y.M.A. Larry Olney, three times, Howie Seymour and Rick Palloni, once each, dashed over the Goal line to add up 33 points while the alert Amsterdam defense refused the N. Y. team a chance to score.

Each AHS player deserves much credit for his excellent teamwork during this 1963 season. But congratulations should also go to Coach Wes Boals and his assistants for developing a great team and obtaining for High School its best overall record since 1948.

SENIORS

Amsterdam opened its 1963-64 season at Hoosick Falls with new coach, Tony Greco, and sporting a 30 game winning streak which stretched over two seasons and included two Class A and two A-B championships. A starting five consisting of All-American Tim Kolodziej, Rick Heller, Paul Green, Tim Burtman and Larry Olney answered the opening whistle. A nip and tuck game was finally opened up by fine performances from junior reserves Ralph Marotta and Bill Brezezicki, and good aggressive play by senior Mike Krochina. The final whistle showed Amsterdam extending its streak to 31 games. Tim hooped in 24, Rick Heller 12, and Ralph 10. Final score, AHS over Hoosick, 68-51.

After its initial victory, AHS put its winning streak on the line against a talented Troy team that showed every indication of being No. 1 contender for the Class A crown. Based on previous week, performances, Mike Krochina and Ralph Marotta joined T.K., L.O., and R.H. in the starting lineup. With the scoring punch of Steve and Jerry Guter and the high jumping of Roosevelt Phillips, the Trojans were not to be denied. After a close first half, the height and shooting combination of Troy brought an end to the AHS winning streak. Final score: Troy—72, AHS—58.

With a 1-1 record, AHS bounced back into the win column on a 95-48 romp over Dalton, Mass. All 13 members of the varsity scored and the Hill, shooting 47.9% rolled over Dalton. Led by Tim K.'s 28 and Marotta's 18, the Hill looked ahead to a Class A battle with arch foe Linton High.

Hoping to get back into Class A struggle, the Hill met Linton High on the Linton boards. A 26 point output by T.K., 20 points by R.M. and 13 by Larry Olney were not enough to beat off the well-rounded attack of the Blue Devils who had Four men in double figures. The final buzzer showed AHS at the short end of a 98-76 score.

The Hilltoppers returned to their home boards to host two Long Island teams, Calhoun and Mineola. Meeting Calhoun first. AHS paced by an outstanding 27

point performance by Marotta, beat the down staters 68-50. Belabored by fouls, T.K. was on the bench in the 3rd quarter after pumping in 15 points. Adding firepower to the Hill attack was Tim Burtman who poured in 10 in a solid all-round chore. Once again the Hill was in the blue with a 3-2 record.

Seeking a repeat performance, AHS struck as a solid team and defeated Mineola, 78-52. Timmy led the Hill with 20 and Heller and Engle each popped in 14.

Two days after Christmas marked the opening of the Christmas Tournament at Linton. On the first night AHS faced the famous Power Memorial. After a close first quarter Power pulled ahead to trounce Amsterdam, 96-45. Famed 7-3 Lou Alcindor netted 26 for the New York team; Kolodziej turned in a fine game and 22 points for the Hill.

The following night the Hill went into the consolation game with Cranford. After leading 20-5 in the 1st quarter, AHS fell apart and led 25-24 at half time, then fell behind 50-31 at the third quarter mark. The game ended 65-50 with AHS dropping its 4th in 8 starts. The high point in the two day tournament was the selection of Tim to the All-Tourney team.

After a Christmas break the Hilltoppers won their initial Class A victory against Albany High 76-61. The one-two scoring punch of T.K. with 25 and Marotta with 23 and solid offensive playmaking were just too much for the team from the Capital city to overcome.

Without the services of T.K. the Hill traveled to Johnstown where it routed the Sir Bills 89-62. Two juniors, Ken Engle and Ralph Marotta led the scoring with 21 and 34 points. To round out the scoring, Heller added 10 and Tim Burtman as usual turned in a fine score.

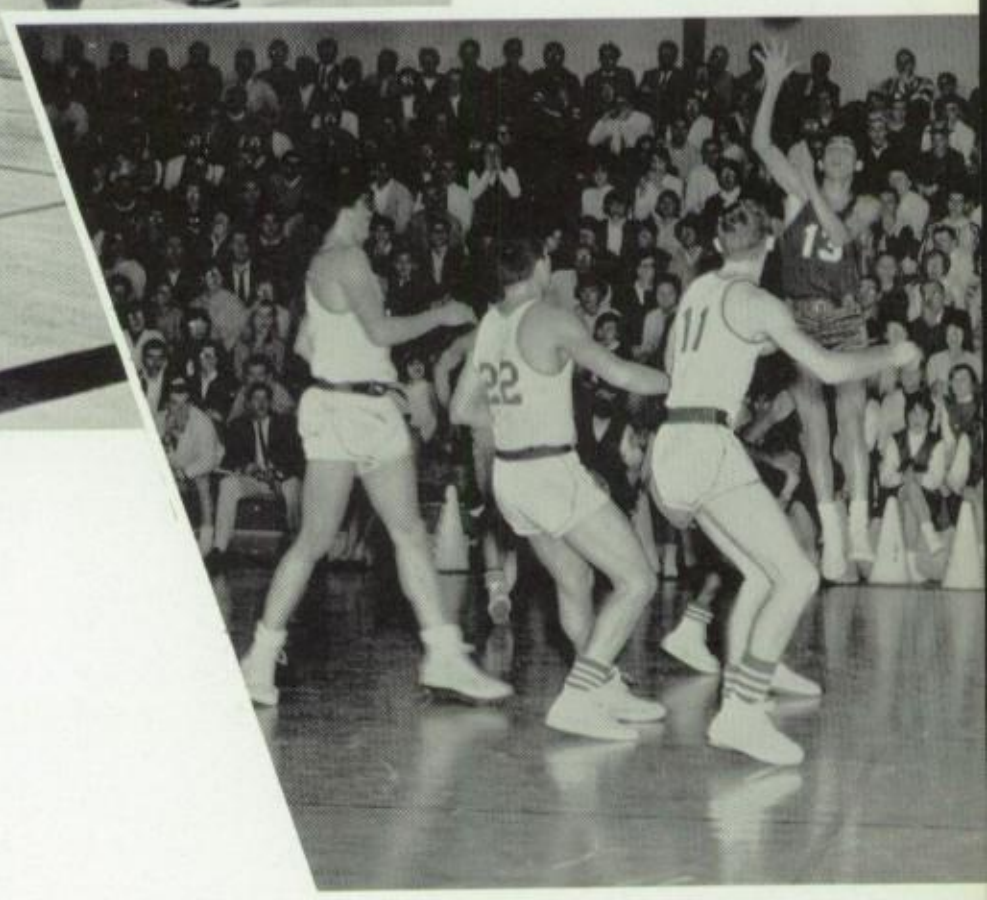
Returning to play, T.K. and Co. traveled to Mont Pleasant for another Class A game. The game was a thriller, but saw AHS come up on the short end of a 76-71 score. Tim's 23 and Ralph's 21 were just not enough. Paul Green's 9 points aided a faltering AHS cause. Amsterdam now stood 1-3 in Class A play.

Traveling down state, AHS met New Rochelle. Good strong ball handling by the whole Amsterdam team sent Rochelle to a disastrous defeat 91-44. It was in this game that Tim Kolodziej broke the school scoring record of 38 points with his 40.

AHS and White Plains truly battled on February 1, but the Hill managed to eke out a 65-64 victory over the Plainsmen. Marotta and T.K. hit for 25 and 28 points while Plainsman Drummond clicked for 26.

In an effort to stay in the win column, a fighting Amsterdam team headed for Troy. The game was anyone's for the first three quarters; then the tough Trojans put on a last quarter drive to win 90-64. The Guter brothers accounted for while Amsterdam's Marotta and Kolodziej held honors for the Hill with 19 each.

The time came to face Class A Linton on the home boards. The first half saw AHS hot on the trail of the Blue Devils but the third quarter brought shaky playing for the Hill and Linton went on to win 92-69. Five Schenectady players hit double figures along with three of the Hilltoppers. Ralph poured in 21, Tim 22, and Paul 14.



A sterling 29 point performance by senior Paul Green led the Hill to a 78-76 thrilling victory over Albany High in the Albany dungeon. Down 17-3 in the 1st quarter, the Hill came back to close the score to 40-37 at the half. Led by the strong performances of Kro, Larry Olney, who scored 10 before fouling out, and Paul Green, who sank two foul shots with 8 seconds remaining, AHS went on to win its second in Class A competition.

Returning home AHS handed Johnstown an 88-60 thumping. All American Tim Kolodziej broke his own scoring record of 40 with a 42 point production on 19 field goals and 4 fouls. Turning in another solid effort were Green and Engle each contributing 14.

At home for the final game of the 63-64 season, AHS edged the Mont Pleasant Raiders 70-67. Winding up the campaign in a blaze of glory the Hillmen put four men in double figures. Paul Green and Tim Kolodziej shared scoring honors with 17 each. Ken Engle came through with 15 and Mike Krochina added fire to the second half with his 10.

Pre-game ceremonies honored the 7 retiring seniors. Special awards were presented to Timmy for his four years of varsity competition.

FOUR SEASONS SPORTS CLUB

The Four Seasons Sports Club was created last year by a group of skiers interested in starting a ski club. In the beginning, one of the club's main purposes was to arrange transportation to ski areas. Today the club tries to encourage recreational sports in general. For a sports club member one of the big events of the winter season is the weekend ski trip sponsored by the club.
